

## Becoming a Member of the Saginaw Club

Richly steeped in tradition and history, the Saginaw Club is the oldest city club in the Mid-Michigan area. Founded and built in 1889 as the East Saginaw Club, it is a private, member-owned club where members "Leave the Burden of Their Toils Outside the Friendly Door!" - the club motto penned by its founding fathers.

A current member in good standing may sponsor new members. The Membership Proposal and Application must be completed and signed by both the applicant and sponsor.

The document is then posted for a minimum of 10 days, as prescribed by the club's bylaws. Next, the Board of Managers (which meets the fourth Tuesday of every month) reviews the Membership Proposal and Application and acts on it.

If approved, and as soon as the club receives the initiation fee and dues, the new member is welcome to use all the amenities of the club as a member in good standing.
